REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: allowance of claims 1-5, 7-13, 15-16, and 18-22 is indicated because the Examiner agreed with Applicant that the reference on the record, in particular, Brothers et al does not suggest at least the gas detection unit composed of an oxide semiconductor connected in series with a temperature compensation unit composed of an oxygen ion conductor as recited in claim 1 and the resistivity of such oxygen sensor having an oxide semiconductor comprising cerium ions and zirconium ions as recited in claim 12, where the reason for allowance has been indicated in the previous Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
